

City of Eagan

July 26, 2010

TO: Men's D Region IV Competitive & Recreational Teams

Congratulations on your team's fine season and upcoming participation in the 2010 Men's D Region IV Competitive & Recreation State Tournament in Eagan. I would like to welcome you to our beautiful city and wish you an enjoyable experience.

Pete Strand III will be the Tournament Director and Pete Strand II will be the Umpire in Chief. Together they will attempt to make this a smooth tournament for all. Please arrive at least 30 minutes prior to your first game with a completed tournament roster and regular season roster. The team check-in area will be located by the concession building in the middle of the four-field wheel complex. A random check of one player's identification will be made so be sure all players have their license on them at all times.

Enclosed you will find a map for Northview Athletic Fields, 980 Northview Park Road. There will be no charge for parking or admission. We strongly encourage you to use the parking lots and stay away from on-street parking.

Our concession stand will be loaded with food and beverages to keep you up and running. In addition, there are a couple of park rules that should be shared with players and fans.

- Glass bottles are **NOT** allowed in any Eagan park. Players and fans that have glass bottles in their possession will be asked to take all full and empty bottles to their vehicles.
- Players are asked not bring their pet unless a non-playing person is actively supervising. If pets are found unattended or tied to the fence, animal control will be contacted.

Good luck! Enjoy and Discover the Value in Eagan!

Sincerely,

Sonya Rippe
Recreation Facility Manager
